

Not Wasting Paper Lesson

In Mrs. Green Loves The Earth the class had brainstormed some ways to cut down on wasting paper. What were some of the things they did?

- Go back and reread pages 3 and 4 to help you remember.
- Why is it important to not waste paper?
- Where does paper come from?
- Here's a [website](#) that shows you.

We need to use paper. The problem is a lot of paper gets wasted. What could you do to not be wasteful with paper?
